Remarks

Welcome to this beautifully maintained Fresh Spring model by Neal Communities in the sought-after Ridge at Crossing Creek. Built in 2018 and barely lived in, this 3-bedroom, 2-bath home offers 1,814 sq ft of thoughtfully designed living space plus a versatile den, perfect for a home office or creative retreat. An open floor plan with crown molding, recessed lighting, and neutral finishes flows into a gourmet kitchen featuring granite counters, stainless steel appliances, and an inviting island for casual dining or entertaining. Triple sliding doors lead to a covered and screened lanai overlooking a fenced yard with peaceful preserve views, creating a seamless indoor-outdoor experience. The spacious primary suite includes a large walk-in closet and a spa-inspired bath with frameless glass shower and stone counters. Additional highlights include an extended garage, laundry room, and energy-efficient windows. The gated community offers a pool, grilling area, and walking trails with no CDD fees and low HOA dues, all just minutes from shopping, dining, I-75, and Gulf Coast beaches.
